

## LABOR CODE

### SECTION 1720-1743

1720. (a) As used in this chapter, "public works" means:

(1) Construction, alteration, demolition, installation, or repair work done under contract and paid for in whole or in part out of public funds, except work done directly by any public utility company pursuant to order of the Public Utilities Commission or other public authority. For purposes of this paragraph, "construction" includes work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work.

(2) Work done for irrigation, utility, reclamation, and improvement districts, and other districts of this type. "Public work" does not include the operation of the irrigation or drainage system of any irrigation or reclamation district, except as used in Section 1778 relating to retaining wages.

(3) Street, sewer, or other improvement work done under the direction and supervision or by the authority of any officer or public body of the state, or of any political subdivision or district thereof, whether the political subdivision or district operates under a freeholder's charter or not.

(4) The laying of carpet done under a building lease-maintenance contract and paid for out of public funds.

(5) The laying of carpet in a public building done under contract and paid for in whole or in part out of public funds.

(6) Public transportation demonstration projects authorized pursuant to Section 143 of the Streets and Highways Code.

(b) For purposes of this section, "paid for in whole or in part out of public funds" means all of the following:

(1) The payment of money or the equivalent of money by the state or political subdivision directly to or on behalf of the public works contractor, subcontractor, or developer.

(2) Performance of construction work by the state or political subdivision in execution of the project.

(3) Transfer by the state or political subdivision of an asset of value for less than fair market price.

(4) Fees, costs, rents, insurance or bond premiums, loans, interest rates, or other obligations that would normally be required in the execution of the contract, that are paid, reduced, charged at less than fair market value, waived, or forgiven by the state or political subdivision.

(5) Money loaned by the state or political subdivision that is to be repaid on a contingent basis.

(6) Credits that are applied by the state or political subdivision against repayment obligations to the state or political subdivision.

(c) Notwithstanding subdivision (b):

(1) Private residential projects built on private property are not subject to the requirements of this chapter unless the projects are built pursuant to an agreement with a state agency, redevelopment agency, or local public housing authority.

(2) If the state or a political subdivision requires a private developer to perform construction, alteration, demolition, installation, or repair work on a public work of improvement as a

condition of regulatory approval of an otherwise private development project, and the state or political subdivision contributes no more money, or the equivalent of money, to the overall project than is required to perform this public improvement work, and the state or political subdivision maintains no proprietary interest in the overall project, then only the public improvement work shall thereby become subject to this chapter.

(3) If the state or a political subdivision reimburses a private developer for costs that would normally be borne by the public, or provides directly or indirectly a public subsidy to a private development project that is de minimis in the context of the project, an otherwise private development project shall not thereby become subject to the requirements of this chapter.

(4) The construction or rehabilitation of affordable housing units for low- or moderate-income persons pursuant to paragraph (5) or (7) of subdivision (e) of Section 33334.2 of the Health and Safety Code that are paid for solely with moneys from a Low and Moderate Income Housing Fund established pursuant to Section 33334.3 of the Health and Safety Code or that are paid for by a combination of private funds and funds available pursuant to Section 33334.2 or 33334.3 of the Health and Safety Code do not constitute a project that is paid for in whole or in part out of public funds.

(5) "Paid for in whole or in part out of public funds" does not include tax credits provided pursuant to Section 17053.49 or 23649 of the Revenue and Taxation Code.

(6) Unless otherwise required by a public funding program, the construction or rehabilitation of privately owned residential projects is not subject to the requirements of this chapter if one or more of the following conditions are met:

(A) The project is a self-help housing project in which no fewer than 500 hours of construction work associated with the homes are to be performed by the homebuyers.

(B) The project consists of rehabilitation or expansion work associated with a facility operated on a not-for-profit basis as temporary or transitional housing for homeless persons with a total project cost of less than twenty-five thousand dollars (\$25,000).

(C) Assistance is provided to a household as either mortgage assistance, downpayment assistance, or for the rehabilitation of a single-family home.

(D) The project consists of new construction, or expansion, or rehabilitation work associated with a facility developed by a nonprofit organization to be operated on a not-for-profit basis to provide emergency or transitional shelter and ancillary services and assistance to homeless adults and children. The nonprofit organization operating the project shall provide, at no profit, not less than 50 percent of the total project cost from nonpublic sources, excluding real property that is transferred or leased. Total project cost includes the value of donated labor, materials, architectural, and engineering services.

(E) The public participation in the project that would otherwise meet the criteria of subdivision (b) is public funding in the form of below-market interest rate loans for a project in which occupancy of at least 40 percent of the units is restricted for at least 20 years, by deed or regulatory agreement, to individuals or families earning no more than 80 percent of the area median income.

(d) Notwithstanding any provision of this section to the contrary, the following projects shall not, solely by reason of this section, be subject to the requirements of this chapter:

(1) Qualified residential rental projects, as defined by Section

142 (d) of the Internal Revenue Code, financed in whole or in part through the issuance of bonds that receive allocation of a portion of the state ceiling pursuant to Chapter 11.8 of Division 1 (commencing with Section 8869.80) of the Government Code on or before December 31, 2003.

(2) Single-family residential projects financed in whole or in part through the issuance of qualified mortgage revenue bonds or qualified veterans' mortgage bonds, as defined by Section 143 of the Internal Revenue Code, or with mortgage credit certificates under a Qualified Mortgage Credit Certificate Program, as defined by Section 25 of the Internal Revenue Code, that receive allocation of a portion of the state ceiling pursuant to Chapter 11.8 of Division 1 (commencing with Section 8869.80) of the Government Code on or before December 31, 2003.

(3) Low-income housing projects that are allocated federal or state low-income housing tax credits pursuant to Section 42 of the Internal Revenue Code, Chapter 3.6 of Division 31 (commencing with Section 50199.4) of the Health and Safety Code, or Section 12206, 17058, or 23610.5 of the Revenue and Taxation Code, on or before December 31, 2003.

(e) If a statute, other than this section, or a regulation, other than a regulation adopted pursuant to this section, or an ordinance or a contract applies this chapter to a project, the exclusions set forth in subdivision (d) do not apply to that project.

(f) For purposes of this section, references to the Internal Revenue Code mean the Internal Revenue Code of 1986, as amended, and include the corresponding predecessor sections of the Internal Revenue Code of 1954, as amended.

(g) The amendments made to this section by either Chapter 938 of the Statutes of 2001 or the act adding this subdivision shall not be construed to preempt local ordinances requiring the payment of prevailing wages on housing projects.

1720.2. For the limited purposes of Article 2 (commencing with Section 1770) of this chapter, "public works" also means any construction work done under private contract when all of the following conditions exist:

(a) The construction contract is between private persons.

(b) The property subject to the construction contract is privately owned, but upon completion of the construction work, more than 50 percent of the assignable square feet of the property is leased to the state or a political subdivision for its use.

(c) Either of the following conditions exist:

(1) The lease agreement between the lessor and the state or political subdivision, as lessee, was entered into prior to the construction contract.

(2) The construction work is performed according to plans, specifications, or criteria furnished by the state or political subdivision, and the lease agreement between the lessor and the state or political subdivision, as lessee, is entered into during, or upon completion of, the construction work.

1720.3. For the limited purposes of Article 2 (commencing with Section 1770), "public works" also means the hauling of refuse from a public works site to an outside disposal location, with respect to

contracts involving any state agency, including the California State University and the University of California, or any political subdivision of the state.

1720.4. (a) This chapter shall not apply to any of the following work:

(1) Any work performed by a volunteer. For purposes of this section, "volunteer" means an individual who performs work for civic, charitable, or humanitarian reasons for a public agency or corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, without promise, expectation, or receipt of any compensation for work performed.

(A) An individual shall be considered a volunteer only when his or her services are offered freely and without pressure and coercion, direct or implied, from an employer.

(B) An individual may receive reasonable meals, lodging, transportation, and incidental expenses or nominal nonmonetary awards without losing volunteer status if, in the entire context of the situation, those benefits and payments are not a substitute form of compensation for work performed.

(C) An individual shall not be considered a volunteer if the person is otherwise employed for compensation at any time (i) in the construction, alteration, demolition, installation, repair, or maintenance work on the same project, or (ii) by a contractor, other than a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, that is receiving payment to perform construction, alteration, demolition, installation, repair, or maintenance work on the same project.

(2) Any work performed by a volunteer coordinator. For purposes of this section, "volunteer coordinator" means an individual paid by a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, to oversee or supervise volunteers. An individual may be considered a volunteer coordinator even if the individual performs some nonsupervisory work on a project alongside the volunteers, so long as the individual's primary responsibility on the project is to oversee or supervise the volunteers rather than to perform nonsupervisory work.

(3) Any work performed by members of the California Conservation Corps or of Community Conservation Corps certified by the California Conservation Corps pursuant to Section 14507.5 of the Public Resources Code.

(b) This section shall apply retroactively to otherwise covered work concluded on or after January 1, 2002, to the extent permitted by law.

(c) This section shall remain in effect only until January 1, 2009, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2009, deletes or extends that date.

1721. "Political subdivision" includes any county, city, district, public housing authority, or public agency of the state, and assessment or improvement districts.

1722. "Awarding body" or "body awarding the contract" means

department, board, authority, officer or agent awarding a contract for public work.

1722.1. For the purposes of this chapter, "contractor" and "subcontractor" include a contractor, subcontractor, licensee, officer, agent, or representative thereof, acting in that capacity, when working on public works pursuant to this article and Article 2 (commencing with Section 1770).

1723. "Worker" includes laborer, worker, or mechanic.

1724. "Locality in which public work is performed" means the county in which the public work is done in cases in which the contract is awarded by the State, and means the limits of the political subdivision on whose behalf the contract is awarded in other cases.

1725. "Alien" means any person who is not a born or fully naturalized citizen of the United States.

1726. (a) The body awarding the contract for public work shall take cognizance of violations of this chapter committed in the course of the execution of the contract, and shall promptly report any suspected violations to the Labor Commissioner.

(b) If the awarding body determines as a result of its own investigation that there has been a violation of this chapter and withholds contract payments, the procedures in Section 1771.6 shall be followed.

(c) A contractor may bring an action in a court of competent jurisdiction to recover from an awarding body the difference between the wages actually paid to an employee and the wages that were required to be paid to an employee under this chapter, any penalties required to be paid under this chapter, and costs and attorney's fees related to this action, if either of the following is true:

(1) The awarding body previously affirmatively represented to the contractor in writing, in the call for bids, or otherwise, that the work to be covered by the bid or contract was not a "public work," as defined in this chapter.

(2) The awarding body received actual written notice from the Department of Industrial Relations that the work to be covered by the bid or contract is a "public work," as defined in this chapter, and failed to disclose that information to the contractor before the bid opening or awarding of the contract.

1727. (a) Before making payments to the contractor of money due under a contract for public work, the awarding body shall withhold and retain therefrom all amounts required to satisfy any civil wage and penalty assessment issued by the Labor Commissioner under this

chapter. The amounts required to satisfy a civil wage and penalty assessment shall not be disbursed by the awarding body until receipt of a final order that is no longer subject to judicial review.

(b) If the awarding body has not retained sufficient money under the contract to satisfy a civil wage and penalty assessment based on a subcontractor's violations, the contractor shall, upon the request of the Labor Commissioner, withhold sufficient money due the subcontractor under the contract to satisfy the assessment and transfer the money to the awarding body. These amounts shall not be disbursed by the awarding body until receipt of a final order that is no longer subject to judicial review.

1728. In cases of contracts with assessment or improvement districts where full payment is made in the form of a single warrant, or other evidence of full payment, after completion and acceptance of the work, the awarding body shall accept from the contractor in cash a sum equal to, and in lieu of, any amount required to be withheld, retained, or forfeited under the provisions of this section, and said awarding body shall then release the final warrant or payment in full.

1729. It shall be lawful for any contractor to withhold from any subcontractor under him sufficient sums to cover any penalties withheld from him by the awarding body on account of the subcontractor's failure to comply with the terms of this chapter. and if payment has already been made to the subcontractor the contractor may recover from him the amount of the penalty or forfeiture in a suit at law.

1734. Any court collecting any fines or penalties under the criminal provisions of this chapter or any of the labor laws pertaining to public works shall as soon as practicable after the receipt thereof deposit same with the county treasurer of the county in which such court is situated. Amounts so deposited shall be paid at least once a month by warrant of the county auditor drawn upon requisition of the judge or clerk of said court, to the State Treasurer for deposit in the General Fund.

1735. A contractor shall not discriminate in the employment of persons upon public works on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as otherwise provided in Section 12940 of the Government Code. Every contractor for public works who violates this section is subject to all the penalties imposed for a violation of this chapter.

1736. During any investigation conducted under this part, the Division of Labor Standards Enforcement shall keep confidential the name of any employee who reports a violation of this chapter and any other information that may identify the employee.

1740. Notwithstanding any other provision of this chapter or any other law of this State, except limitations imposed by the Constitution, the legislative body of a political subdivision which has received or is to receive a loan or grant of funds from the Federal Government or a federal department or agency for public works of that political subdivision, may provide in its call for bids in connection with such public works that all bid specifications and contracts and other procedures in connection with bids or contracts shall be subject to modification to comply with revisions in federal minimum wage schedules without the necessity of republication or duplication of other formal statutory requirements.

1741. (a) If the Labor Commissioner or his or her designee determines after an investigation that there has been a violation of this chapter, the Labor Commissioner shall with reasonable promptness issue a civil wage and penalty assessment to the contractor or subcontractor or both. The assessment shall be in writing and shall describe the nature of the violation and the amount of wages, penalties, and forfeitures due and shall include the basis for the assessment. The assessment shall be served not later than 180 days after the filing of a valid notice of completion in the office of the county recorder in each county in which the public work or some part thereof was performed, or not later than 180 days after acceptance of the public work, whichever occurs last. However, if the assessment is served after the expiration of this 180-day period, but before the expiration of an additional 180 days, and the awarding body has not yet made full payment to the contractor, the assessment is valid up to the amount of the funds retained. Service of the assessment shall be completed pursuant to Section 1013 of the Code of Civil Procedure by first-class and certified mail to the contractor, subcontractor, and awarding body. The assessment shall advise the contractor and subcontractor of the procedure for obtaining review of the assessment. The Labor Commissioner shall, to the extent practicable, ascertain the identity of any bonding company issuing a bond that secures the payment of wages covered by the assessment and any surety on a bond, and shall serve a copy of the assessment by certified mail to the bonding company or surety at the same time service is made to the contractor, subcontractor, and awarding body. However, no bonding company or surety shall be relieved of its responsibilities because it failed to receive notice from the Labor Commissioner.

(b) Interest shall accrue on all due and unpaid wages at the rate described in subdivision (b) of Section 3289 of the Civil Code. The interest shall accrue from the date that the wages were due and payable, as provided in Part 7 (commencing with Section 1720) of Division 2, until the wages are paid.

(c) (1) The Labor Commissioner shall maintain a public list of the names of each contractor and subcontractor who has been found to have committed a willful violation of Section 1775 or to whom a final order, which is no longer subject to judicial review, has been issued.

(2) The list shall include the date of each assessment, the amount of wages and penalties assessed, and the amount collected.

(3) The list shall be updated at least quarterly, and the contractor's or subcontractor's name shall remain on that list until the assessment is satisfied, or for a period of three years beginning from the date of the issuance of the assessment, whichever is later.

1742. (a) An affected contractor or subcontractor may obtain review of a civil wage and penalty assessment under this chapter by transmitting a written request to the office of the Labor Commissioner that appears on the assessment within 60 days after service of the assessment. If no hearing is requested within 60 days after service of the assessment, the assessment shall become final.

(b) Upon receipt of a timely request, a hearing shall be commenced within 90 days before the director, who shall appoint an impartial hearing officer possessing the qualifications of an administrative law judge pursuant to subdivision (b) of Section 11502 of the Government Code. The appointed hearing officer shall be an employee of the department, but shall not be an employee of the Division of Labor Standards Enforcement. The contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the receipt of the written request for a hearing. Any evidence obtained by the Labor Commissioner subsequent to the 20-day cutoff shall be promptly disclosed to the contractor or subcontractor.

The contractor or subcontractor shall have the burden of proving that the basis for the civil wage and penalty assessment is incorrect. The assessment shall be sufficiently detailed to provide fair notice to the contractor or subcontractor of the issues at the hearing.

Within 45 days of the conclusion of the hearing, the director shall issue a written decision affirming, modifying, or dismissing the assessment. The decision of the director shall consist of a notice of findings, findings, and an order. This decision shall be served on all parties and the awarding body pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party on file with the Labor Commissioner. Within 15 days of the issuance of the decision, the director may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

The director shall adopt regulations setting forth procedures for hearings under this subdivision.

(c) An affected contractor or subcontractor may obtain review of the decision of the director by filing a petition for a writ of mandate to the appropriate superior court pursuant to Section 1094.5 of the Code of Civil Procedure within 45 days after service of the decision. If no petition for writ of mandate is filed within 45 days after service of the decision, the order shall become final. If it is claimed in a petition for writ of mandate that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in the light of the whole record.

(d) A certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order.

(e) A judgment entered pursuant to this section shall bear the

same rate of interest and shall have the same effect as other judgments and shall be given the same preference allowed by law on other judgments rendered for claims for taxes. The clerk shall not charge for the service performed by him or her pursuant to this section.

(f) An awarding body that has withheld funds in response to a civil wage and penalty assessment under this chapter shall, upon receipt of a certified copy of a final order that is no longer subject to judicial review, promptly transmit the withheld funds, up to the amount of the certified order, to the Labor Commissioner.

(g) This section shall provide the exclusive method for review of a civil wage and penalty assessment by the Labor Commissioner under this chapter or the decision of an awarding body to withhold contract payments pursuant to Section 1771.5.

(h) This section shall remain in effect only until January 1, 2009, and as of that date is repealed.

1742. (a) An affected contractor or subcontractor may obtain review of a civil wage and penalty assessment under this chapter by transmitting a written request to the office of the Labor Commissioner that appears on the assessment within 60 days after service of the assessment. If no hearing is requested within 60 days after service of the assessment, the assessment shall become final.

(b) (1) Upon receipt of a timely request, a hearing shall be commenced within 90 days before an administrative law judge appointed by the Director of Industrial Relations. The appointed hearing judge shall be an employee of the department, but shall not be an employee of the Division of Labor Standards Enforcement. The contractor or subcontractor shall be provided an opportunity to review evidence to be utilized by the Labor Commissioner at the hearing within 20 days of the receipt of the written request for a hearing. Any evidence obtained by the Labor Commissioner subsequent to the 20-day cutoff shall be promptly disclosed to the contractor or subcontractor.

(2) The contractor or subcontractor shall have the burden of proving that the basis for the civil wage and penalty assessment is incorrect. The assessment shall be sufficiently detailed to provide fair notice to the contractor or subcontractor of the issues at the hearing.

(3) Within 45 days of the conclusion of the hearing, the administrative law judge shall issue a written decision affirming, modifying, or dismissing the assessment. The decision of the administrative law judge shall consist of a notice of findings, findings, and an order. This decision shall be served on all parties and the awarding body pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party on file with the Labor Commissioner. Within 15 days of the issuance of the decision, the administrative law judge may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

(4) The Director of Industrial Relations shall adopt regulations setting forth procedures for hearings under this subdivision.

(c) An affected contractor or subcontractor may obtain review of the decision of the administrative law judge by filing a petition for a writ of mandate to the appropriate superior court pursuant to Section 1094.5 of the Code of Civil Procedure within 45 days after service of the decision. If no petition for writ of mandate is filed within 45 days after service of the decision, the order shall become

final. If it is claimed in a petition for writ of mandate that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in the light of the whole record.

(d) A certified copy of a final order may be filed by the Labor Commissioner in the office of the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order.

(e) A judgment entered pursuant to this section shall bear the same rate of interest and shall have the same effect as other judgments and shall be given the same preference allowed by law on other judgments rendered for claims for taxes. The clerk shall not charge for the service performed by him or her pursuant to this section.

(f) An awarding body that has withheld funds in response to a civil wage and penalty assessment under this chapter shall, upon receipt of a certified copy of a final order that is no longer subject to judicial review, promptly transmit the withheld funds, up to the amount of the certified order, to the Labor Commissioner.

(g) This section shall provide the exclusive method for review of a civil wage and penalty assessment by the Labor Commissioner under this chapter or the decision of an awarding body to withhold contract payments pursuant to Section 1771.5.

(h) This section shall become operative on January 1, 2009.

1742.1. (a) After 60 days following the service of a civil wage and penalty assessment under Section 1741 or a notice of withholding under subdivision (a) of Section 1771.6, the affected contractor, subcontractor, and surety on a bond or bonds issued to secure the payment of wages covered by the assessment or notice shall be liable for liquidated damages in an amount equal to the wages, or portion thereof, that still remain unpaid. If the assessment or notice subsequently is overturned or modified after administrative or judicial review, liquidated damages shall be payable only on the wages found to be due and unpaid. If the contractor or subcontractor demonstrates to the satisfaction of the administrative law judge that he or she had substantial grounds for believing the assessment or notice to be in error, the administrative law judge shall waive payment of the liquidated damages. Any liquidated damages collected shall be distributed to the employee along with the unpaid wages. Section 203.5 shall not apply to claims for prevailing wages under this chapter.

(b) The Labor Commissioner shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of a civil wage and penalty assessment under Section 1741, afford the contractor or subcontractor the opportunity to meet with the Labor Commissioner or his or her designee to attempt to settle a dispute regarding the assessment without the need for formal proceedings. The awarding body shall, upon receipt of a request from the affected contractor or subcontractor within 30 days following the service of a notice of withholding under subdivision (a) of Section 1771.6, afford the contractor or subcontractor the opportunity to meet with the designee of the awarding body to attempt to settle a dispute regarding the notice without the need for formal proceedings. The settlement meeting may be held in person or by

telephone and shall take place before the expiration of the 60-day period for seeking administrative review. No evidence of anything said or any admission made for the purpose of, in the course of, or pursuant to, the settlement meeting is admissible or subject to discovery in any administrative or civil proceeding. No writing prepared for the purpose of, in the course of, or pursuant to, the settlement meeting, other than a final settlement agreement, is admissible or subject to discovery in any administrative or civil proceeding. The assessment or notice shall advise the contractor or subcontractor of the opportunity to request a settlement meeting.

(c) This section shall become operative on January 1, 2007.

1743. (a) The contractor and subcontractor shall be jointly and severally liable for all amounts due pursuant to a final order under this chapter or a judgment thereon. The Labor Commissioner shall first exhaust all reasonable remedies to collect the amount due from the subcontractor before pursuing the claim against the contractor.

(b) From the amount collected, the wage claim shall be satisfied prior to the amount being applied to penalties. If insufficient money is recovered to pay each worker in full, the money shall be prorated among all workers.

(c) Wages for workers who cannot be located shall be placed in the Industrial Relations Unpaid Wage Fund and held in trust for the workers pursuant to Section 96.7. Penalties shall be paid into the General Fund.

(d) A final order under this chapter or a judgment thereon shall be binding, with respect to the amount found to be due, on a bonding company issuing a bond that secures the payment of wages and a surety on a bond. The limitations period of any action on a payment bond shall be tolled pending a final order that is no longer subject to judicial review.

## LABOR CODE SECTION 1750

1750. (a) (1) The second lowest bidder, and any person, firm, association, trust, partnership, labor organization, corporation, or other legal entity which has, prior to the letting of the bids on the public works project in question, entered into a contract with the second lowest bidder, that suffers damage as a proximate result of a competitive bid for a public works project, as defined in subdivision (b), not being accepted due to the successful bidder's violation, as evidenced by the conviction of the successful bidder therefor, of any provision of Division 4 (commencing with Section 3200) or of the Unemployment Insurance Code, may bring an action for damages in the appropriate state court against the violating person or legal entity.

(2) There shall be a rebuttable presumption that a successful bidder who has been convicted of a violation of any provision of Division 4 (commencing with Section 3200) of this code or of the Unemployment Insurance Code, or of both, was awarded the bid because that successful bidder was able to lower the bid due to this violation or these violations occurring on the contract for public work awarded by the public agency.

(b) For purposes of this article:

(1) "Public works project" means the construction, repair, remodeling, alteration, conversion, modernization, improvement, rehabilitation, replacement, or renovation of a public building or structure.

(2) "Second lowest bidder" means the second lowest qualified bidder deemed responsive by the public agency awarding the contract for public work.

(3) The "second lowest bidder" and the "successful bidder" may include any person, firm, association, corporation, or other legal entity.

(c) In an action brought pursuant to this section, the court may award costs and reasonable attorney's fees, in an amount to be determined in the court's discretion, to the prevailing party.

(d) For purposes of an action brought pursuant to this section, employee status shall be determined pursuant to Division 4 (commencing with Section 3200) with respect to alleged violations of that division, pursuant to the Unemployment Insurance Code with respect to alleged violations of that code, and pursuant to Section 2750.5 with respect to alleged violations of either Division 4 (commencing with Section 3200) or of the Unemployment Insurance Code.

(e) The right of action established pursuant to this article shall not be construed to diminish rights of action established pursuant to Section 19102 of, and Article 1.8 (commencing with Section 20104.70) of Chapter 1 of Part 3 of Division 2 of, the Public Contract Code.

(f) A second lowest bidder who has been convicted of a violation of any provision of Division 4 (commencing with Section 3200) of the Labor Code or of the Unemployment Insurance Code, or both, within one year prior to filing the bid for public work, and who has failed to take affirmative steps to correct that violation or those violations, is prohibited from taking any action authorized by this section.

## LABOR CODE

### SECTION 1770-1781

1770. The Director of the Department of Industrial Relations shall determine the general prevailing rate of per diem wages in accordance with the standards set forth in Section 1773, and the director's determination in the matter shall be final except as provided in Section 1773.4. Nothing in this article, however, shall prohibit the payment of more than the general prevailing rate of wages to any workman employed on public work. Nothing in this act shall permit any overtime work in violation of Article 3 of this chapter.

1771. Except for public works projects of one thousand dollars (\$1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract, and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work.

1771.2. A joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (Section 175a of Title 29 of the United States Code) may bring an action in any court of competent jurisdiction against an employer that fails to pay the prevailing wage to its employees, as required by this article. This action shall be commenced not later than 180 days after the filing of a valid notice of completion in the office of the county recorder in each county in which the public work or some part thereof was performed, or not later than 180 days after acceptance of the public work, whichever last occurs.

1771.5. (a) Notwithstanding Section 1771, an awarding body may not require the payment of the general prevailing rate of per diem wages or the general prevailing rate of per diem wages for holiday and overtime work for any public works project of twenty-five thousand dollars (\$25,000) or less when the project is for construction work, or for any public works project of fifteen thousand dollars (\$15,000) or less when the project is for alteration, demolition, repair, or maintenance work, if the awarding body elects to initiate and enforce a labor compliance program pursuant to subdivision (b) for every public works project under the authority of the awarding body.

(b) For the purposes of this section, a labor compliance program shall include, but not be limited to, the following requirements:

(1) All bid invitations and public works contracts shall contain appropriate language concerning the requirements of this chapter.

(2) A prejob conference shall be conducted with the contractor and

subcontractors to discuss federal and state labor law requirements applicable to the contract.

(3) Project contractors and subcontractors shall maintain and furnish, at a designated time, a certified copy of each weekly payroll containing a statement of compliance signed under penalty of perjury.

(4) The awarding body shall review, and, if appropriate, audit payroll records to verify compliance with this chapter.

(5) The awarding body shall withhold contract payments when payroll records are delinquent or inadequate.

(6) The awarding body shall withhold contract payments equal to the amount of underpayment and applicable penalties when, after investigation, it is established that underpayment has occurred.

(c) For purposes of this chapter, "labor compliance program" means a labor compliance program that is approved, as specified in state regulations, by the Director of the Department of Industrial Relations.

(d) For purposes of this chapter, the Director of the Department of Industrial Relations may revoke the approval of a labor compliance program in the manner specified in state regulations.

1771.6. (a) Any awarding body that enforces this chapter in accordance with Section 1726 or 1771.5 shall provide notice of the withholding of contract payments to the contractor and subcontractor, if applicable. The notice shall be in writing and shall describe the nature of the violation and the amount of wages, penalties, and forfeitures withheld. Service of the notice shall be completed pursuant to Section 1013 of the Code of Civil Procedure by first-class and certified mail to the contractor and subcontractor, if applicable. The notice shall advise the contractor and subcontractor, if applicable, of the procedure for obtaining review of the withholding of contract payments.

The awarding body shall also serve a copy of the notice by certified mail to any bonding company issuing a bond that secures the payment of wages covered by the notice and to any surety on a bond, if their identities are known to the awarding body.

(b) The withholding of contract payments in accordance with Section 1726 or 1771.5 shall be reviewable under Section 1742 in the same manner as if the notice of the withholding was a civil penalty order of the Labor Commissioner under this chapter. If review is requested, the Labor Commissioner may intervene to represent the awarding body.

(c) Pending a final order, or the expiration of the time period for seeking review of the notice of the withholding, the awarding body shall not disburse any contract payments withheld.

(d) From the amount recovered, the wage claim shall be satisfied prior to the amount being applied to penalties. If insufficient money is recovered to pay each worker in full, the money shall be prorated among all workers.

(e) Wages for workers who cannot be located shall be placed in the Industrial Relations Unpaid Wage Fund and held in trust for the workers pursuant to Section 96.7. Penalties shall be paid into the General Fund of the awarding body that has enforced this chapter pursuant to Section 1771.5.

1771.7. (a) (1) An awarding body that chooses to use funds derived from either the Kindergarten–University Public Education Facilities Bond Act of 2002 or the Kindergarten–University Public Education Facilities Bond Act of 2004 for a public works project, shall initiate and enforce, or contract with a third party to initiate and enforce, a labor compliance program, as described in subdivision (b) of Section 1771.5, with respect to that public works project.

(2) If an awarding body described in paragraph (1) chooses to contract with a third party to initiate and enforce a labor compliance program for a project described in paragraph (1), that third party shall not review the payroll records of its own employees or the employees of its subcontractors, and the awarding body or an independent third party shall review these payroll records for purposes of the labor compliance program.

(b) This section applies to public works that commence on or after April 1, 2003. For purposes of this subdivision, work performed during the design and preconstruction phases of construction, including, but not limited to, inspection and land surveying work, does not constitute the commencement of a public work.

(c) (1) For purposes of this section, if any campus of the California State University chooses to use the funds described in subdivision (a), then the "awarding body" is the Chancellor of the California State University. For purposes of this subdivision, if the chancellor is required by subdivision (a) to initiate and enforce, or to contract with a third party to initiate and enforce, the labor compliance program described in that subdivision, then in addition to the requirements imposed upon an awarding body by subdivision (b) of Section 1771.5, the Chancellor of the California State University shall review the payroll records described in paragraphs (3) and (4) of subdivision (b) of Section 1771.5 on at least a monthly basis to ensure the awarding body's compliance with the labor compliance program.

(2) For purposes of this subdivision, if an awarding body described in subdivision (a) is the University of California or any campus of that university, and that awarding body is required by subdivision (a) to initiate and enforce, or to contract with a third party to initiate and enforce, the labor compliance program described in that subdivision, then in addition to the requirements imposed upon an awarding body by subdivision (b) of Section 1771.5, the payroll records described in paragraphs (3) and (4) of subdivision (b) of Section 1771.5 shall be reviewed on at least a monthly basis to ensure the awarding body's compliance with the labor compliance program.

(d) (1) An awarding body described in subdivision (a) shall make a written finding that the awarding body has initiated and enforced, or has contracted with a third party to initiate and enforce, the labor compliance program described in subdivision (a).

(2) (A) If an awarding body described in subdivision (a) is a school district, the governing body of that district shall transmit to the State Allocation Board, in the manner determined by that board, a copy of the finding described in paragraph (1).

(B) The State Allocation Board may not release the funds described in subdivision (a) to an awarding body that is a school district until the State Allocation Board has received the written finding described in paragraph (1).

(C) If the State Allocation Board conducts a postaward audit procedure with respect to an award of the funds described in subdivision (a) to an awarding body that is a school district, the State Allocation Board shall verify, in the manner determined by that

board, that the school district has complied with the requirements of this subdivision.

(3) If an awarding body described in subdivision (a) is a community college district, the Chancellor of the California State University, or the office of the President of the University of California or any campus of the University of California, that awarding body shall transmit, in the manner determined by the Director of the Department of Industrial Relations, a copy of the finding described in paragraph (1) to the director of that department, or the director of any successor agency that is responsible for the oversight of employee wage and employee work hours laws.

(e) Notwithstanding Section 17070.63 of the Education Code, for purposes of this act, the State Allocation Board shall increase the grant amounts as described in Chapter 12.5 (commencing with Section 17070.10) of Part 10 of Division 1 of Title 1 of the Education Code to accommodate the state's share of the increased costs of a new construction or modernization project due to the initiation and enforcement of the labor compliance program.

1771.8. (a) The body awarding any contract for a public works project financed in any part with funds made available by the Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 (Division 26.5 (commencing with Section 79500) of the Water Code) shall adopt and enforce, or contract with a third party to adopt and enforce, a labor compliance program pursuant to subdivision (b) of Section 1771.5 for application to that public works project.

(b) This section shall become operative only if the Water Security, Clean Drinking Water, Coastal and Beach Protection Act of 2002 (Division 26.5 (commencing with Section 79500) of the Water Code) is approved by the voters at the November 5, 2002, statewide general election.

1771.9. (a) The body awarding any contract for a public works project financed in any part with funds made available by the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Chapter 20 (commencing with Section 2704) of Division 3 of the Streets and Highways Code) shall adopt and enforce, or contract with a third party to adopt and enforce, a labor compliance program pursuant to subdivision (b) of Section 1771.5 for application to that public works project.

(b) This section shall become operative only if the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Chapter 20 (commencing with Section 2704) of Division 3 of the Streets and Highways Code) is approved by the voters at the November 2, 2004, statewide general election.

(c) The Department of Industrial Relations' and the Labor and Workforce Development Agency's public works services provided to labor compliance programs, interested parties, and awarding bodies associated with bond funding projects, that are governed by the public works requirements of this chapter, are to be supported as costs of a state agency with responsibility for administration of the bond program, or costs of construction, under subdivisions (a) and (d) of Section 16727 of the Government Code. Public works services

under this chapter include all of the following:

- (1) Prevailing wage measurement and setting.
- (2) Wage petitions and special determinations.
- (3) Coverage advice and determinations training for and approval of, labor compliance programs' establishment and enforcement notices to withhold.
- (4) Civil wage and penalty assessments.
- (5) Hearings in response to contractor requests under subdivision (b) of Section 1171.6, Section 1742, and Section 1777.7.

1772. Workers employed by contractors or subcontractors in the execution of any contract for public work are deemed to be employed upon public work.

1773. The body awarding any contract for public work, or otherwise undertaking any public work, shall obtain the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work in the locality in which the public work is to be performed for each craft, classification, or type of worker needed to execute the contract from the Director of Industrial Relations. The holidays upon which those rates shall be paid need not be specified by the awarding body, but shall be all holidays recognized in the applicable collective bargaining agreement. If the prevailing rate is not based on a collectively bargained rate, the holidays upon which the prevailing rate shall be paid shall be as provided in Section 6700 of the Government Code.

In determining the rates, the Director of Industrial Relations shall ascertain and consider the applicable wage rates established by collective bargaining agreements and the rates that may have been predetermined for federal public works, within the locality and in the nearest labor market area. Where the rates do not constitute the rates actually prevailing in the locality, the director shall obtain and consider further data from the labor organizations and employers or employer associations concerned, including the recognized collective bargaining representatives for the particular craft, classification, or type of work involved. The rate fixed for each craft, classification, or type of work shall be not less than the prevailing rate paid in the craft, classification, or type of work.

If the director determines that the rate of prevailing wage for any craft, classification, or type of worker is the rate established by a collective bargaining agreement, the director may adopt that rate by reference as provided for in the collective bargaining agreement and that determination shall be effective for the life of the agreement or until the director determines that another rate should be adopted.

1773.1. (a) Per diem wages, when the term is used in this chapter or in any other statute applicable to public works, shall be deemed to include employer payments for the following:

- (1) Health and welfare.
- (2) Pension.
- (3) Vacation.
- (4) Travel.
- (5) Subsistence.
- (6) Apprenticeship or other training programs authorized by

Section 3093, so long as the cost of training is reasonably related to the amount of the contributions.

(7) Worker protection and assistance programs or committees established under the federal Labor Management Cooperation Act of 1978 (Section 175a of Title 29 of the United States Code), to the extent that the activities of the programs or committees are directed to the monitoring and enforcement of laws related to public works.

(8) Industry advancement and collective bargaining agreements administrative fees, provided that these payments are required under a collective bargaining agreement pertaining to the particular craft, classification, or type of work within the locality or the nearest labor market area at issue.

(9) Other purposes similar to those specified in paragraphs (1) to (8), inclusive.

(b) Employer payments include all of the following:

(1) The rate of contribution irrevocably made by the employer to a trustee or third person pursuant to a plan, fund, or program.

(2) The rate of actual costs to the employer reasonably anticipated in providing benefits to workers pursuant to an enforceable commitment to carry out a financially responsible plan or program communicated in writing to the workers affected.

(3) Payments to the California Apprenticeship Council pursuant to Section 1777.5.

(c) Employer payments are a credit against the obligation to pay the general prevailing rate of per diem wages. However, no credit shall be granted for benefits required to be provided by other state or federal law. Credits for employer payments also shall not reduce the obligation to pay the hourly straight time or overtime wages found to be prevailing.

(d) The credit for employer payments shall be computed on an annualized basis where the employer seeks credit for employer payments that are higher for public works projects than for private construction performed by the same employer, except where one or more of the following occur:

(1) The employer has an enforceable obligation to make the higher rate of payments on future private construction performed by the employer.

(2) The higher rate of payments is required by a project labor agreement.

(3) The payments are made to the California Apprenticeship Council pursuant to Section 1777.5.

(4) The director determines that annualization would not serve the purposes of this chapter.

(e) (1) For the purpose of determining those per diem wages for contracts, the representative of any craft, classification, or type of worker needed to execute contracts shall file with the Department of Industrial Relations fully executed copies of the collective bargaining agreements for the particular craft, classification, or type of work involved. The collective bargaining agreements shall be filed after their execution and thereafter may be taken into consideration pursuant to Section 1773 whenever filed 30 days prior to the call for bids. If the collective bargaining agreement has not been formalized, a typescript of the final draft may be filed temporarily, accompanied by a statement under penalty of perjury as to its effective date.

(2) Where a copy of the collective bargaining agreement has previously been filed, fully executed copies of all modifications and extensions of the agreement that affect per diem wages or holidays shall be filed.

(3) The failure to comply with filing requirements of this subdivision shall not be grounds for setting aside a prevailing wage determination if the information taken into consideration is correct.

1773.2. The body awarding any contract for public work, or otherwise undertaking any public work, shall specify in the call for bids for the contract, and in the bid specifications and in the contract itself, what the general rate of per diem wages is for each craft, classification, or type of worker needed to execute the contract.

In lieu of specifying the rate of wages in the call for bids, and in the bid specifications and in the contract itself, the awarding body may, in the call for bids, bid specifications, and contract, include a statement that copies of the prevailing rate of per diem wages are on file at its principal office, which shall be made available to any interested party on request. The awarding body shall also cause a copy of the determination of the director of the prevailing rate of per diem wages to be posted at each job site.

1773.3. An awarding agency whose public works contract falls within the jurisdiction of Section 1777.5 shall, within five days of the award, send a copy of the award to the Division of Apprenticeship Standards. When specifically requested by a local joint apprenticeship committee, the division shall notify the local joint apprenticeship committee regarding all such awards applicable to the joint apprenticeship committee making the request. Within five days of a finding of any discrepancy regarding the ratio of apprentices to journeymen, pursuant to the certificated fixed number of apprentices to journeymen, the awarding agency shall notify the Division of Apprenticeship Standards.

1773.4. Any prospective bidder or his representative, any representative of any craft, classification or type of workman involved, or the awarding body may, within 20 days after commencement of advertising of the call for bids by the awarding body, file with the Director of Industrial Relations a verified petition to review the determination of any such rate or rates upon the ground that they have not been determined in accordance with the provision of Section 1773 of this code. Within two days thereafter, a copy of such petition shall be filed with the awarding body. The petition shall set forth the facts upon which it is based. The Director of Industrial Relations or his authorized representative shall, upon notice to the petitioner, the awarding body and such other persons as he deems proper, including the recognized collective bargaining representatives for the particular crafts, classifications or types of work involved, institute an investigation or hold a hearing. Within 20 days after the filing of such petition, or within such longer period as agreed upon by the director, the awarding body, and all the interested parties, he shall make a determination and transmit the same in writing to the awarding body and to the interested parties.

Such determination shall be final and shall be the determination of the awarding body. Upon receipt by it of the notice of the filing

of such petition the body awarding the contract or authorizing the public work shall extend the closing date for the submission of bids or the starting of work until five days after the determination of the general prevailing rates of per diem wages pursuant to this section.

Upon the filing of any such petition, notice thereof shall be set forth in the next and all subsequent publications by the awarding body of the call for bids. No other notice need be given to bidders by the awarding body by publication or otherwise. The determination of the director shall be included in the contract.

1773.5. The Director of Industrial Relations may establish rules and regulations for the purpose of carrying out this chapter, including, but not limited to, the responsibilities and duties of awarding bodies under this chapter.

1773.6. If during any quarterly period the Director of Industrial Relations shall determine that there has been a change in any prevailing rate of per diem wages in any locality he shall make such change available to the awarding body and his determination shall be final. Such determination by the Director of Industrial Relations shall not be effective as to any contract for which the notice to bidders has been published.

1773.7. The provisions of Section 11250 of the Government Code shall not be applicable to Sections 1773, 1773.4, and 1773.6.

1773.9. (a) The Director of Industrial Relations shall use the methodology set forth in subdivision (b) to determine the general prevailing rate of per diem wages in the locality in which the public work is to be performed.

(b) The general prevailing rate of per diem wages includes all of the following:

(1) The basic hourly wage rate being paid to a majority of workers engaged in the particular craft, classification, or type of work within the locality and in the nearest labor market area, if a majority of the workers is paid at a single rate. If no single rate is being paid to a majority of the workers, then the single rate being paid to the greatest number of workers, or modal rate, is prevailing. If a modal rate cannot be determined, then the director shall establish an alternative rate, consistent with the methodology for determining the modal rate, by considering the appropriate collective bargaining agreements, federal rates, rates in the nearest labor market area, or other data such as wage survey data.

(2) Other employer payments included in per diem wages pursuant to Section 1773.1 and as included as part of the total hourly wage rate from which the basic hourly wage rate was derived. In the event the total hourly wage rate does not include any employer payments, the director shall establish a prevailing employer payment rate by the same procedure set forth in paragraph (1).

(3) The rate for holiday and overtime work shall be those rates

specified in the collective bargaining agreement when the basic hourly rate is based on a collective bargaining agreement rate. In the event the basic hourly rate is not based on a collective bargaining agreement, the rate for holidays and overtime work, if any, included with the prevailing basic hourly rate of pay shall be prevailing.

(c) (1) If the director determines that the general prevailing rate of per diem wages is the rate established by a collective bargaining agreement, and that the collective bargaining agreement contains definite and predetermined changes during its term that will affect the rate adopted, the director shall incorporate those changes into the determination. Predetermined changes that are rescinded prior to their effective date shall not be enforced.

(2) When the director determines that there is a definite and predetermined change in the general prevailing rate of per diem wages as described in paragraph (1), but has not published, at the time of the effective date of the predetermined change, the allocation of the predetermined change as between the basic hourly wage and other employer payments included in per diem wages pursuant to Section 1773.1, a contractor or subcontractor may allocate payments of not less than the amount of the definite and predetermined change to either the basic hourly wage or other employer payments included in per diem wages for up to 60 days following the director's publication of the specific allocation of the predetermined change.

(3) When the director determines that there is a definite and predetermined change in the general prevailing rate of per diem wages as described in paragraph (1), but the allocation of that predetermined change as between the basic hourly wage and other employer payments included in per diem wages pursuant to Section 1773.1 is subsequently altered by the parties to a collective bargaining agreement described in paragraph (1), a contractor or subcontractor may allocate payments of not less than the amount of the definite and predetermined change in accordance with either the originally published allocation or the allocation as altered in the collective bargaining agreement.

1773.11. (a) Notwithstanding any other provision of law and except as otherwise provided by this section, if the state or a political subdivision thereof agrees by contract with a private entity that the private entity's employees receive, in performing that contract, the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work, the director shall, upon a request by the state or the political subdivision, do both of the following:

(1) Determine, as otherwise provided by law, the wage rates for each craft, classification, or type of worker that are needed to execute the contract.

(2) Provide these wage rates to the state or political subdivision that requests them.

(b) This section does not apply to a contract for a public work, as defined in this chapter.

(c) The director shall determine and provide the wage rates described in this section in the order in which the requests for these wage rates were received and regardless of the calendar year in which they were received. If there are more than 20 pending requests in a calendar year, the director shall respond only to the first 20 requests in the order in which they were received. If the

director determines that funding is available in any calendar year to determine and provide these wage rates in response to more than 20 requests, the director shall respond to these requests in a manner consistent with this subdivision.

1774. The contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rates of wages to all workmen employed in the execution of the contract.

1775. (a) (1) The contractor and any subcontractor under the contractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than fifty dollars (\$50) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2) (A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B) (i) The penalty may not be less than ten dollars (\$10) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than twenty dollars (\$20) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed penalties within the previous three years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than thirty dollars (\$30) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in subdivision (c) of Section 1777.1.

(C) When the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate

shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to Section 1813.

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages.

1776. (a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by him or her in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by his or her employees on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or his or her

authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract, the Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) The certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

(e) Any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body, the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's name and social security number. A joint labor management committee may maintain an action in a court of competent jurisdiction against an employer who fails to comply with Section 1774. The court may award restitution to an employee for unpaid wages and may award the joint labor management committee reasonable attorney's fees and costs incurred in maintaining the action. An action under this subdivision may not be based on the employer's misclassification of the craft of a worker on its certified payroll records. Nothing in this subdivision limits any other available remedies for a violation of this chapter.

(f) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(g) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, he or she

shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Apprenticeship Standards or the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(h) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(i) The director shall adopt rules consistent with the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the establishment of reasonable fees to be charged for reproducing copies of records required by this section.

1777. Any officer, agent, or representative of the State or of any political subdivision who wilfully violates any provision of this article, and any contractor, or subcontractor, or agent or representative thereof, doing public work who neglects to comply with any provision of section 1776 is guilty of a misdemeanor.

1777.1. (a) Whenever a contractor or subcontractor performing a public works project pursuant to this chapter is found by the Labor Commissioner to be in violation of this chapter with intent to defraud, except Section 1777.5, the contractor or subcontractor or a firm, corporation, partnership, or association in which the contractor or subcontractor has any interest is ineligible for a period of not less than one year or more than three years to do either of the following:

- (1) Bid on or be awarded a contract for a public works project.
- (2) Perform work as a subcontractor on a public works project.

(b) Whenever a contractor or subcontractor performing a public works project pursuant to this chapter is found by the Labor Commissioner to be in willful violation of this chapter, except Section 1777.5, the contractor or subcontractor or a firm, corporation, partnership, or association in which the contractor or subcontractor has any interest is ineligible for a period up to three years for each second and subsequent violation occurring within three years of a separate and previous willful violation of this chapter to do either of the following:

- (1) Bid on or be awarded a contract for a public works project.
- (2) Perform work as a subcontractor on a public works project.

(c) A willful violation occurs when the contractor or subcontractor knew or reasonably should have known of his or her obligations under the public works law and deliberately fails or refuses to comply with its provisions.

(d) Not less than semiannually, the Labor Commissioner shall publish and distribute to awarding bodies a list of contractors who are ineligible to bid on or be awarded a public works contract, or to

perform work as a subcontractor on a public works project pursuant to this chapter. The list shall contain the name of the contractor, the Contractor's State License Board license number of the contractor, and the effective period of debarment of the contractor. The commissioner shall also place advertisements in construction industry publications targeted to the contractors and subcontractors, chosen by the commissioner, that state the effective period of the debarment and the reason for debarment. The advertisements shall appear one time for each debarment of a contractor in each publication chosen by the commissioner. The debarred contractor or subcontractor shall be liable to the commissioner for the reasonable cost of the advertisements, not to exceed five thousand dollars (\$5,000). The amount paid to the commissioner for the advertisements shall be credited against the contractor's or subcontractor's obligation to pay civil fines or penalties for the same willful violation of this chapter.

(e) For purposes of this section, "contractor or subcontractor" means a firm, corporation, partnership, or association and its responsible managing officer, as well as any supervisors, managers, and officers found by the Labor Commissioner to be personally and substantially responsible for the willful violation of this chapter.

(f) For the purposes of this section, the term "any interest" means an interest in the entity bidding or performing work on the public works project, whether as an owner, partner, officer, manager, employee, agent, consultant, or representative. "Any interest" includes, but is not limited to, all instances where the debarred contractor or subcontractor receives payments, whether cash or any other form of compensation, from any entity bidding or performing work on the public works project, or enters into any contracts or agreements with the entity bidding or performing work on the public works project for services performed or to be performed for contracts that have been or will be assigned or sublet, or for vehicles, tools, equipment, or supplies that have been or will be sold, rented, or leased during the period from the initiation of the debarment proceedings until the end of the term of the debarment period. "Any interest" does not include shares held in a publicly traded corporation if the shares were not received as compensation after the initiation of debarment from an entity bidding or performing work on a public works project.

(g) For the purposes of this section, the term "entity" is defined as a company, limited liability company, association, partnership, sole proprietorship, limited liability partnership, corporation, business trust, or organization.

(h) The Labor Commissioner shall adopt rules and regulations for the administration and enforcement of this section.

1777.5. (a) Nothing in this chapter shall prevent the employment of properly registered apprentices upon public works.

(b) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing

with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) When the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional application in order to include additional public works contracts under that program.

"Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Prior to commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body if requested by the awarding body.

Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program that can supply apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates where the contractor agrees to be bound by those standards, but, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a

journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. Where an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Chief of the Division of Apprenticeship Standards, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section that has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or that has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Chief of the Division of Apprenticeship Standards may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(i) When an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any

amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) At the conclusion of the 2002-03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Division of Apprenticeship Standards for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The funds shall be distributed as follows:

(A) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

(B) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and geographic area for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices registered in each program.

(C) All training contributions not distributed under subparagraphs (A) and (B) shall be used to defray the future expenses of the Division of Apprenticeship Standards.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Notwithstanding Section 13340 of the Government Code, all money in the Apprenticeship Training Contribution Fund is hereby continuously appropriated for the purpose of carrying out this subdivision and to pay the expenses of the Division of Apprenticeship Standards.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars (\$30,000).

(p) All decisions of an apprenticeship program under this section are subject to Section 3081.

1777.6. An employer or a labor union shall not refuse to accept otherwise qualified employees as registered apprentices on any public works on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as provided in Section 3077 of this code and Section 12940 of the Government Code.

1777.7. (a) (1) A contractor or subcontractor that is determined by the Chief of the Division of Apprenticeship Standards to have knowingly violated Section 1777.5 shall forfeit as a civil penalty an amount not exceeding one hundred dollars (\$100) for each full calendar day of noncompliance. The amount of this penalty may be reduced by the Chief if the amount of the penalty would be

disproportionate to the severity of the violation. A contractor or subcontractor that knowingly commits a second or subsequent violation of Section 1777.5 within a three-year period, where the noncompliance results in apprenticeship training not being provided as required by this chapter, shall forfeit as a civil penalty the sum of not more than three hundred dollars (\$300) for each full calendar day of noncompliance. Notwithstanding Section 1727, upon receipt of a determination that a civil penalty has been imposed by the Chief, the awarding body shall withhold the amount of the civil penalty from contract progress payments then due or to become due.

(2) In lieu of the penalty provided for in this subdivision, the Chief may, for a first-time violation and with the concurrence of an apprenticeship program described in subdivision (d), order the contractor or subcontractor to provide apprentice employment equivalent to the work hours that would have been provided for apprentices during the period of noncompliance.

(b) In the event a contractor or subcontractor is determined by the Chief to have knowingly committed a serious violation of any provision of Section 1777.5, the Chief may also deny to the contractor or subcontractor, and to its responsible officers, the right to bid on or be awarded or perform work as a subcontractor on any public works contract for a period of up to one year for the first violation and for a period of up to three years for a second or subsequent violation. Each period of debarment shall run from the date the determination of noncompliance by the Chief becomes a final order of the Administrator of Apprenticeship.

(c) (1) An affected contractor, subcontractor, or responsible officer may obtain a review of the determination of the Chief imposing the debarment or civil penalty by transmitting a written request to the office of the Administrator within 30 days after service of the determination of debarment or civil penalty. A copy of this report shall also be served on the Chief. If the Administrator does not receive a timely request for review of the determination of debarment or civil penalty made by the Chief, the order shall become the final order of the Administrator.

(2) Within 20 days of the timely receipt of a request for review, the Chief shall provide the contractor, subcontractor, or responsible officer the opportunity to review any evidence the Chief may offer at the hearing. The Chief shall also promptly disclose any nonprivileged documents obtained after the 20-day time limit at a time set forth for exchange of evidence by the Administrator.

(3) Within 90 days of the timely receipt of a request for review, a hearing shall be commenced before the Administrator or an impartial hearing officer designated by the Administrator and possessing the qualifications of an administrative law judge pursuant to subdivision (b) of Section 11502 of the Government Code. The affected contractor, subcontractor, or responsible officer shall have the burden of providing evidence of compliance with Section 1777.5.

(4) Within 45 days of the conclusion of the hearing, the Administrator shall issue a written decision affirming, modifying, or dismissing the determination of debarment or civil penalty. The decision shall contain a statement of the factual and legal basis for the decision and an order. This decision shall be served on all parties and the awarding body pursuant to Section 1013 of the Code of Civil Procedure by first-class mail at the last known address of the party that the party has filed with the Administrator. Within 15 days of issuance of the decision, the Administrator may reconsider or modify the decision to correct an error, except that a clerical error may be corrected at any time.

(5) An affected contractor, subcontractor, or responsible officer who has timely requested review and obtained a decision under paragraph (4) may obtain review of the decision of the Administrator by filing a petition for a writ of mandate to the appropriate superior court pursuant to Section 1094.5 of the Code of Civil Procedure within 45 days after service of the final decision. If no timely petition for a writ of mandate is filed, the decision shall become the final order of the Administrator. The decision of the Administrator shall be affirmed unless the petitioner shows that the Administrator abused his or her discretion. If the petitioner claims that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in light of the entire record.

(6) The Chief may certify a copy of the final order of the Administrator and file it with the clerk of the superior court in any county in which the affected contractor or subcontractor has property or has or had a place of business. The clerk, immediately upon the filing, shall enter judgment for the state against the person assessed in the amount shown on the certified order. A judgment entered pursuant to this section shall bear the same rate of interest and shall have the same effect as other judgments and be given the same preference allowed by the law on other judgments rendered for claims for taxes. The clerk shall not charge for the service performed by him or her pursuant to this section. An awarding body that has withheld funds in response to a determination by the Chief imposing a penalty under this section shall, upon receipt of a certified copy of a final order of the Administrator, promptly transmit the withheld funds, up to the amount of the certified order, to the Administrator.

(d) If a subcontractor is found to have violated Section 1777.5, the prime contractor of the project is not liable for any penalties under subdivision (a), unless the prime contractor had knowledge of the subcontractor's failure to comply with the provisions of Section 1777.5 or unless the prime contractor fails to comply with any of the following requirements:

(1) The contract executed between the contractor and the subcontractor or the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall continually monitor a subcontractor's use of apprentices required to be employed on the public works project pursuant to subdivision (d) of Section 1777.5, including, but not limited to, periodic review of the certified payroll of the subcontractor.

(3) Upon becoming aware of a failure of the subcontractor to employ the required number of apprentices, the contractor shall take corrective action, including, but not limited to, retaining funds due the subcontractor for work performed on the public works project until the failure is corrected.

(4) Prior to making the final payment to the subcontractor for work performed on the public works project, the contractor shall obtain a declaration signed under penalty of perjury from the subcontractor that the subcontractor has employed the required number of apprentices on the public works project.

(e) Any funds withheld by the awarding body pursuant to this section shall be deposited in the General Fund if the awarding body is a state entity, or in the equivalent fund of an awarding body if the awarding body is an entity other than the state.

(f) The Chief shall consider, in setting the amount of a monetary penalty, in determining whether a violation is serious, and in determining whether and for how long a party should be debarred for violating this section, all of the following circumstances:

(1) Whether the violation was intentional.

(2) Whether the party has committed other violations of Section 1777.5.

(3) Whether, upon notice of the violation, the party took steps to voluntarily remedy the violation.

(4) Whether, and to what extent, the violation resulted in lost training opportunities for apprentices.

(5) Whether, and to what extent, the violation otherwise harmed apprentices or apprenticeship programs.

If a party seeks review of a decision by the Chief to impose a monetary penalty or period of debarment, the Administrator shall decide de novo the appropriate penalty, by considering the same factors set forth above.

(g) The interpretation of Section 1777.5 and this section shall be in accordance with the regulations of the California Apprenticeship Council. The Administrator may adopt regulations to establish guidelines for the imposition of monetary penalties and periods of debarment and may designate precedential decisions under Section 11425.60 of the Government Code.

1778. Every person, who individually or as a representative of an awarding or public body or officer, or as a contractor or subcontractor doing public work, or agent or officer thereof, who takes, receives, or conspires with another to take or receive, for his own use or the use of any other person any portion of the wages of any workman or working subcontractor, in connection with services rendered upon any public work is guilty of a felony.

1779. Any person or agent or officer thereof who charges, collects, or attempts to charge or collect, directly or indirectly, a fee or valuable consideration for registering any person for public work, or for giving information as to where such employment may be procured, or for placing, assisting in placing, or attempting to place, any person in public work, whether the person is to work directly for the State, or any political subdivision or for a contractor or subcontractor doing public work is guilty of a misdemeanor.

1780. Any person acting on behalf of the State or any political subdivision, or any contractor or subcontractor or agent or representative thereof, doing any public work who places any order for the employment of a workman on public work where the filling of the order for employment involves the charging of a fee, or the receiving of a valuable consideration from any applicant for employment is guilty of a misdemeanor.

1781. (a) (1) Notwithstanding any other provision of law, a contractor may, subject to paragraphs (2) and (3), bring an action in

a court of competent jurisdiction to recover from the body awarding a contract for a public work or otherwise undertaking any public work any increased costs incurred by the contractor as a result of any decision by the body, the Department of Industrial Relations, or a court that classifies, after the time at which the body accepts the contractor's bid or awards the contractor a contract in circumstances where no bid is solicited, the work covered by the bid or contract as a "public work," as defined in this chapter, to which Section 1771 applies, if that body, before the bid opening or awarding of the contract, failed to identify as a "public work," as defined in this chapter, in the bid specification or in the contract documents that portion of the work that the decision classifies as a "public work."

(2) The body awarding a contract for a public work or otherwise undertaking any public work is not liable for increased costs in an action described in paragraph (1) if all of the following conditions are met:

(A) The contractor did not directly submit a bid to, or directly contract with, that body.

(B) The body stated in the contract, agreement, ordinance, or other written arrangement by which it undertook the public work that the work described in paragraph (1) was a "public work," as defined in this chapter, to which Section 1771 applies, and obligated the party with whom the body makes its written arrangement to cause the work described in paragraph (1) to be performed as a "public work."

(C) The body fulfilled all of its duties, if any, under the Civil Code or any other provision of law pertaining to the body providing and maintaining bonds to secure the payment of contractors, including the payment of wages to workers performing the work described in paragraph (1).

(3) If a contractor did not directly submit a bid to, or directly contract with a body awarding a contract for, or otherwise undertaking a public work, the liability of that body in an action commenced by the contractor under subdivision (a) is limited to that portion of a judgment, obtained by that contractor against the body that solicited the contractor's bid or awarded the contract to the contractor, that the contractor is unable to satisfy. For purposes of this paragraph, a contractor may not be deemed to be unable to satisfy any portion of a judgment unless, in addition to other collection measures, the contractor has made a good faith attempt to collect that portion of the judgment against a surety bond, guarantee, or some other form of assurance.

(b) When construction has not commenced at the time a final decision by the Department of Industrial Relations or a court classifies all or part of the work covered by the bid or contract as a "public work," as defined in this chapter, the body that solicited the bid or awarded the contract shall rebid the "public work" covered by the contract as a "public work," any bid that was submitted and any contract that was executed for this work are null and void, and the contractor may not be compensated for any nonconstruction work already performed unless the body soliciting the bid or awarding the contract has agreed to compensate the contractor for this work.

(c) For purposes of this section:

(1) "Awarding body" does not include the Department of General Services, the Department of Transportation, or the Department of Water Resources.

(2) "Increased costs" includes, but is not limited to:

(A) Labor cost increases required to be paid to workers who perform or performed work on the "public work" as a result of the events described in subdivision (a).

(B) Penalties for a violation of this article for which the contractor is liable, and which violation is the result of the events described in subdivision (a).

---

## LABOR CODE

### SECTION 1810-1815

1810. Eight hours labor constitutes a legal day's work in all cases where the same is performed under the authority of any law of this State, or under the direction, or control, or by the authority of any officer of this State acting in his official capacity, or under the direction, or control or by the authority of any municipal corporation, or of any officer thereof. A stipulation to that effect shall be made a part of all contracts to which the State or any municipal corporation therein is a party.

1811. The time of service of any workman employed upon public work is limited and restricted to 8 hours during any one calendar day, and 40 hours during any one calendar week, except as hereinafter provided for under Section 1815.

1812. Every contractor and subcontractor shall keep an accurate record showing the name of and actual hours worked each calendar day and each calendar week by each worker employed by him or her in connection with the public work. The record shall be kept open at all reasonable hours to the inspection of the awarding body and to the Division of Labor Standards Enforcement.

1813. The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars (\$25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement.

1814. Any officer, agent, or representative of the State or any political subdivision who violates any provision of this article and any contractor or subcontractor or agent or representative thereof doing public work who neglects to comply with any provision of Section 1812 is guilty of a misdemeanor.

1815. Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of this code, and notwithstanding any stipulation inserted

in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 1/2 times the basic rate of pay.

---
